Re: Docket No. MT2011-4

In accordance with Commission Order No. 730, issued May 16, 2011 in Docket No. MT2011-4, the Postal Service presents the following data collection report on the first year of the Mail Works Guarantee market test.

The market test began on June 14, 2011. During the first year, no customers committed to using the mail in a way that would qualify for the market test guarantee. As a result, no data are available to report at this time. The Postal Service is currently evaluating how to proceed with the market test in the future.

Sincerely,

Brandy A. Osimokun
